** Sprint accepts only cards which it can identify as valid.

*** Applies in addition to all Station-to-Station and Person-to-Person Operator Service charges when the customer has the ability to dial all the digits necessary for call completion but dials instead "0", "00-", or 1010XXX + "0" to reach the Sprint operator to have the operator complete the call or defaults to an operator for assistance while using a toll free collect service. The surcharge will be applied to all Operator Service calls completed by an operator except for: 1) calls which cannot be completed by the customer due to equipment failure or trouble on the Sprint network; 2) when a FÖNCARD is used, or 3) when a LEC Calling Card is used from a PublicFÖN location. Usage and Call Placement Charges for calls placed from Pay Telephones appear on the customer's LEC bill.

**** The Busy Line Verification charge applies when Sprint provides operator assistance to determine if there is an ongoing conversation at a called station. The Emergency Interruption surcharge applies in addition to the Busy Line Verification charge when Sprint provides operator assistance to interrupt an ongoing conversation, regardless of whether the interruption is successful.

Effective February 15, 2014, PublicFÖN Service will no longer be available for new customers. (N)
